

Video Vault Instructions

Welcome New Magician!

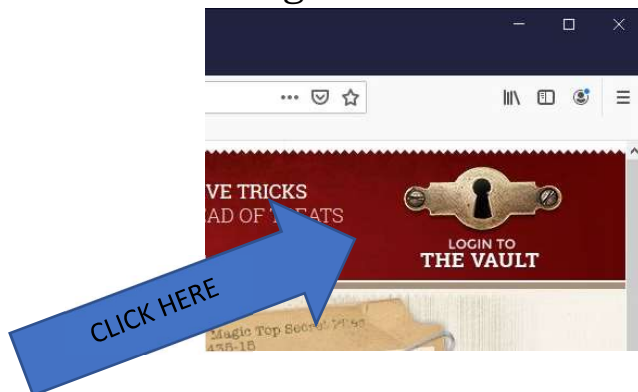

Along with everything you will learn in class, you also have access to our online video library, the Video Vault. Each week you will be given a secret code word that you can enter into the Video Vault to unlock videos of the lessons learned that week along with bonus tricks.

Follow the instructions below to create your Video Vault account and view your first video!

1. Goto [discovermagic.com](https://www.discovermagic.com)

2. Click the “Login to The Vault” button

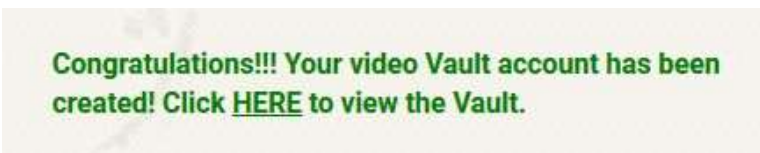

3. Enter the KEYCODE from your Key Card

4. Enter your name and email address

5. Your account is confirmed!

6. Your first video appears!

7. To add videos click the “Enter a Secret Word” link and enter the secret word in the pop-up box that appears.

That's it! To view your videos anytime, just login to THE VAULT.

To log into THE VAULT again, follow steps 1-3 then enter your Last Name as the password
